While the Borough of Glassboro is excited to restart our annual activities, we remind all vendors, entrants and participants that it is important to continue to reduce the risk of exposure to COVID-19. To that end, all participants in Borough sponsored activities follows CDC recommended guidelines, including; the wearing of face coverings, maintaining an appropriate social distance, staying home when sick, practicing good hygiene, and respiratory etiquette. Group organizers should ensure that all of the participants in the group or on a float or vehicle are provided access to face coverings, hand sanitizer, tissues, waste cans or bags, individual (not shared) water bottles and disinfectant wipes. Adequate spacing for social distancing on floats or in vehicles should be considered.
