

## Glassboro holds community paint day for Legacy Mural Project highlighting iconic figures from Glassboro's cultural heritage.

The Borough of Glassboro invites the community to join fellow residents for the Glassboro Legacy Mural Paint Day on Saturday, April 17, between 11:00 am and 3:00 pm. on the Glassboro Town Square.

Interested participants must register here: <https://www.signupgenius.com/go/10C0C4BA4A62AABFDC52-glassboro>

The Glassboro Legacy Mural represents the historical arc of the Borough of Glassboro highlighting significant events, places and people from the first inhabitants to our agricultural legacy and on to our growing diverse population. It will contain important landmarks such as: Angelo's Diner, The Glassboro Historic Train Station, and the Elsmere neighborhood. Technology will be introduced for viewers of the mural to access videos about significant events by scanning QR codes that are incorporated in the design and it will feature a glass mosaic in honor of our glassmaking heritage.

"This mural is about bringing our residents together and celebrating Glassboro's history," said Councilwoman Anna Miller. "I am excited that we can be a part of history by being able to paint it ourselves. It represents diversity and inclusion and

the fact that our town has always been full of amazing people."
